True Blue is away to Seattle for Nationals

Pat Parker
*North Texas State Soccer
Association Men's Commissioner*

Azzurri, or True Blue to the Heart, was a bright star for the NT Men's program.

Beginning with the 030 team, Azzurri was victorious for the USASA National program and NTSA, winning the National Final in 2003, 2005 and now winning the 2007 Regionals for their fourth time in seven years.

The 030 Azzurri team never relaxed throughout the entire competition and completed the quest by handing the defending National Champion Kickers (FL) a 4-2 defeat in order to earn their spot in history by representing NT in the 2007 National Finals 030 competition in Seattle on Aug. 3-5.

Another division of Azzurri was also busy in the Open Division.

Anthony Mungiolli became the winningest coach in NT history by winning the USASA Open Cup Competition.

After last year's unbelievable success of the NTPSA Men's League Division 1 team; Roma, Azzurri was able to defeat Lynch's Irish Pub 7-0 after they had defeated Roma 4-0 to take the Region III title for NT.

We applaud Anthony and the entire Azzurri organization for their efforts toward the USASA programs and their success within the NT and USASA National Cup competition.
